Below you will learn about the expectations and responsibilities.

TIME COMMITMENT

Interns do not have set hours but typically are scheduled between the hours of 7:45 am and 4:30 pm. If for academic credit we will work with advisor and class schedule, however we require a 10 hour per week minimum.

WHERE TO LIVE

It is recommended that interns are located close to the Des Moines area or have reliable means of transportation if commuting from a nearby school. There are plenty of housing opportunities available if relocation is necessary.

ACADEMIC CREDIT

We offer internships both with or without academic credit. However, for academic credit, internships are determined by the school the intern attends. Students interested in participating should consult their academic advisor with questions, regarding hours required and other requirements.
