

IOWA HOUSE DEMOCRATS

AMENDMENT SUMMARY

Ag and DNR Budget SF 609

Status of Bill: Budget Subcommittee

Committee: Appropriations (14-11); Senate (32-18)

Research Analyst: Bill Freeland; 515-281-6311; bill.freeland@legis.iowa.gov

Lead Democrats: Rep. Isenhart

Floor Manager: Rep. Mommsen

AMENDMENT SUMMARY

H-XXXX to H-1206 by Ourth

Strikes the \$12 million appropriation to Resource and Enhancement Protection (REAP) from the Environment First Fund. Striking this provision leaves the current standing appropriation of \$20 million to REAP from the General Fund.

H-XXXX to H-1206 by Ourth

Restores \$100,000 in funding to the Farm Demonstration Program for the Soybean Association from the remaining funds in the Watershed Improvement Fund. The funding is included in the Senate version of the bill, but is not included in the House amendment.

H-XXXX to H-1206 by Staed and Steckman

Requires an evaluation on the use and value of the Master Matrix. A report must be submitted to the Governor and General Assembly.
